

§ 20-354.5. Notification of charges in excess of repair estimate; prohibited charges; refusal to return vehicle prohibited; inspection of parts.

(a) In the event that any of the following applies, the customer shall be promptly notified by telephone, telegraph, mail, or other means of the additional repair work and estimated cost of the additional repair work:

- (1) The written repair estimate contains only an estimate for diagnostic work necessary to estimate the cost of repair and such diagnostic work has been completed.
- (2) A determination is made by a motor vehicle repair shop that the actual charges for the repair work will exceed the written estimate by more than ten percent (10%).
- (3) An implied partial waiver exists for diagnostic work, and the diagnostic work has been completed.

When a customer is notified, he or she shall, orally or in writing, authorize, modify, or cancel the order for repair.

(b) If a customer cancels the order for repair or, after diagnostic work is performed, decides not to have the repairs performed, and if the customer authorizes the motor vehicle repair shop to reassemble the motor vehicle, the shop shall expeditiously reassemble the motor vehicle in a condition reasonably similar to the condition in which it was received.

After cancellation of the repair order or a decision by the customer not to have repairs made after diagnostic work has been performed, the shop may charge for and the customer is obligated to pay the cost of repairs actually completed that were authorized by the written repair estimate as well as the cost of diagnostic work and teardown, the cost of parts and labor to replace items that were destroyed by teardown, and the cost to reassemble the component or the vehicle, provided the customer was notified of these possible costs in the written repair estimate or at the time the customer authorized the motor vehicle repair shop to reassemble the motor vehicle.

(c) It is a violation of this Article for a motor vehicle repair shop to charge more than the written estimate and the amount by which the motor vehicle repair shop has obtained authorization to exceed the written estimate in accordance with subsections (a) or (b) of this section, plus ten percent (10%).

(d) It is a violation of this Article for any motor vehicle repair shop to refuse to return any customer's motor vehicle because the customer refused to pay for repair charges that exceed a written estimate and any amounts authorized by the customer in accordance with subsection (a) or (b) of this section by more than ten percent (10%), provided that the customer has paid the motor vehicle repair shop the amount of the estimate and the amounts authorized by the customer in accordance with subsections (a) and (b) of this section, plus ten percent (10%).

(e) Upon request made at the time the repair work is authorized by the customer, the customer is entitled to inspect parts removed from his or her vehicle or, if the shop has no warranty arrangement or exchange parts program with a manufacturer, supplier, or distributor, have them returned to him or her. A motor vehicle repair shop may discard parts removed from a customer's vehicle or sell them and retain the proceeds for the shop's own account if the customer fails to take possession of the parts at the shop within two business days after taking delivery of the repaired vehicle.
